PETITIONING THE COURT

- ☐ To issue a warrant
☒ To issue a summons

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	The offender has violated the standard supervision condition which states 'You shall work regularly at a lawful occupation unless excused by the Probation Officer for schooling, training or other acceptable reasons.'
---	--

Since the inception of supervised release (June 2012), despite numerous referrals and without a credible excuse, the offender has been unemployed.

2

The offender has violated the special supervision condition which states 'You shall reside for a period of five (5) months in a community corrections center, halfway house or similar residential facility and shall observe all the rules of that facility. You shall not be eligible for weekend privileges. You shall pay subsistence as required by the program.'

On July 10, 2012, the offender began the term of community confinement within Toler House in Newark, New Jersey. However, on August 6, 2012, as a result of disciplinary infractions, he was discharged as a "program failure."

I declare under penalty of perjury that the foregoing is true and correct.
